

Phase 1 Revised Submission Requirements

Submission Deadline Extended to April 3, 2020 at 11:00 PM PDT (Pacific Daylight Time)

Important Information:

- This is a digital competition and hard copies will not be accepted.
- The Competition uses Submittable for its online submission process.
- Narratives must be in English.
- The submission must NOT include any identification marks such as personal, company, or institutional names, logos, websites, or email addresses that would violate the **anonymity** of the submitters in any of the submission materials.
- Late submissions will not be accepted.
- One submission is allowed per email address.
- All entrants are advised to keep a copy of their submissions. The competition will not return any submissions to entrants.
- Entrants will receive a confirmation email immediately after submitting that includes the entry submission number.

REVISED SUBMISSION REQUIREMENTS:

Project submittals MUST contain the following files:

1. Design Presentation Board File: One PDF file containing two (2) boards with the project information including site plan, plans, sections, and perspectives (renderings). Submitters are encouraged to submit all the information in this presentation they consider necessary to fully explain their proposal. Project Statement, Project Summary, any portion of these, and captions are allowed on the Design Presentation Board, but they are not mandatory. Each of the two boards must be 24" X 36" in either **HORIZONTAL** or **VERTICAL** format. The resolution of the boards must be minimum 300dpi and saved as one PDF file. There is a 2" x 2" empty box in the in upper right-hand corner of each board. You must leave this box empty.

This PDF file must be named DesignPresentationBoardFile.PDF

2. One DOC file containing the Project Statement on how it addresses the Competition Design Objectives included throughout the Competition Brief. Your statement must be no more than 400 words. This statement or any portion of it is allowed to be included on the two “Design Presentation Boards”, but it is NOT required to be on the boards.

This file must be named ProjectStatement.doc

3. One DOC file containing the Project Summary. Your summary must be no more than 100 words. The Project Summary may be used by The Competition in promotional materials.

This file must be named ProjectSummary.doc

4. Video Rendering (Optional/Not Mandatory). Submitters are permitted to upload/attach videos to their submissions. Videos MUST be one of the following file types: mp4, mov, avi, mpg, 3gp, flv, webm, wmv, mkv, m4v. Maximum file size is 400MB and maximum length is 30 seconds. For anonymity purposes, submissions must NOT contain any links.

Please Note: If any of your individual files are larger than 400MB, please contact competition@UrbanConfluenceSiliconValley.org for further assistance.
